Dear Friends,

We are so glad you are joining us this summer. We are looking forward to an awesome week!! Here's a few reminders to help make your week at camp even more enjoyable!

Please send in the paperwork and payments as indicated below as soon as possible. Call if you are not able to send it by **June 1st** that time. We ask for your cooperation so that our medical and dietary staff have time to prepare.

Campers registration is on Sunday, July 21th from 2:00-3:00. You will arrive at the Health Office (Woodruff) to register before proceeding to cabins to unpack. Please do not arrive early since our staff will not be ready to meet with you until 2:00. (Burger King and Pizza Hut are at the corner of Route 16 if you arrive early and need to fill time.)

After the ceremony, the campers will return to the cabins with their counselors. Parents check in with the nurses for the week's report and then go to the Cabins to pick up their child.. From the **North** (Buffalo): From I-90, take the Route 400 expressway SOUTH (Exit #54). At the end of the expressway, (about 17 miles) the road narrows to two lanes, and becomes NY Route 16. Stay on Route 16 through Holland, Chaffee, and into Yorkshire. After crossing the bridge into Cattaraugus County, turn right at the light onto Yorkshire RD. which turns into Creek Road (a Burger King, Walgreen's , and Rite Aid mark the corner). Continue on Creek Road for about 1.5 miles to a four way stop. At that stop, turn left onto McKinstry Road and continue down the hill, over the bridge, up a hill to Worden Road on the right. (You will see a farm on the right and a small Duffield sign on the left.) Turn left onto Worden Road. The Duffield Center is 0.4 mile on the left around a curve at the bottom of the hill. Drive slowly along the dirt road into the camp. The camp is approximately 42 miles from Buffalo and will take about an hour to travel.

From the **South**: Drive north on 16 and turn left on Worden Road. Drive 2 miles and camp will be on the right.

Please call/text if you have ANY questions!

See you soon!
